Fare changes also apply to Touroperator fares, based on standard fares. Touroperators have the option to choose between:

- The fare that applies at the moment the booking is made, or
- The fare that applies at the moment of ticketing.

This policy applies to point of commencement (PoC) The Netherlands, for which tickets are issued in The Netherlands. Touroperator return fares are available with the farebasis –TO, except for fares with an expiring sales date.

For the most recent fares, all ticket options, conditions and availability, please consult your NDC booking tool or GDS.

For these fares, a grace period of 2 days applies.
